Places to Work 2027

What is this?
The Best Places to Work in Los Angeles is a survey and awards program that honors employers in Los Angeles County that are making their workplaces great. This is a project of the *Los Angeles Business Journal* in partnership with Workforce Research Group.

What's the process like?
A two-part survey is conducted to get a thorough assessment of each employer.

- Part 1 consists of an Employer Assessment where we capture details about policies and practices.
- Part 2 consists of the Employee Feedback Survey where we capture employees' opinions about their workplace experience.

Employee surveys can be conducted via online or paper survey methodologies.
Both the employer and employee data sets are combined to determine the best workplaces.
